

EASY LEAF PRODUCTS

6001 Santa Monica Boulevard, Los Angeles CA 90038

SPEC SHEET EDIBLE GENUINE SILVER E174

The product is a metallic blend. For this reason, it should have no expiration date.

But, in accordance to the European laws that are requiring such a date we are labelling any single pack with a sticker with a batch number and an Expiring date reporting a 10 years shelf life. The label reports only the year (ie. 2021)

We suggest keeping the product in a dry place because the leaves are so thin that in a humid environment they tend to stick between themselves and not for reasons affecting the edibility.

Due to the fact that is a metallic blend and, for this, is not including organic materials, there are no nutritional facts.
